Dear _____ :

Re: Access to Information Request #2017-010 – Dates City Crews Paved Roads

This is further to your access to information request received by the City on January 20, 2017, quoted as follows:

“Please provide a list of dates City of Regina crews paved roads using asphalt. Please provide this information in spreadsheet form if possible. Please provide the dates for the calendar years 2015 and 2016.”

On January 30, 2017 you provided clarification that you were not interested in asphalt patching.

We have processed your request. Attached to the email is a spreadsheet listing the dates City crews paved for the 2015 and 2016 season. This information does not include pothole patching or road maintenance work outside of a paving project.

If you wish to exercise your right to request a review of this decision, you may do so by completing a Request for Review form and forwarding it to the Saskatchewan Information and Privacy Commissioner within one year of this notice.
