

**Request for Qualifications**

**for the**

**Design-Build-Finance-Operation and Maintenance**

**WWTP Upgrade Project**

**RFQ #2153**

**Addendum/Clarification #5**

**This Addendum/Clarification shall be incorporated into the Request for Qualifications.**

Date Issued: June 18, 2013

---

**Amendments to RFQ:**

In Section 2.4, Project Schedule, amend the date in the bullet "Last Day for Issuance of RFQ Addenda": from June 18, 2013 to June 24, 2013.

Respondents are advised that any Addenda that may be issued after June 18, 2013 will be to provide information to Respondents only, and will not require any changes to the form or content of RFQ submissions.

**Clarifications to RFQ:**

The following is a list of submitted questions and the associated City of Regina response. Where applicable firm names have been removed however the wording of the questions is otherwise identical as received.

**Question 1**

*This question was provided non-confidentially by Hanscomb Limited*

We provided minor cost consulting services to AECOM in May 2012 in relation to the impact of cost escalation on the WWTP and other infrastructure projects located in the City of Regina – could you please confirm if the service we performed would make our firm an "ineligible" party for this RFQ.

**Answer 1**

Hanscomb Limited is deemed not to be an Ineligible Person under section 3.1 of the RFQ. For clarity, Respondents (and/or RFP Proponents) may include among their Team Members or Key Individuals Hanscomb Limited and/or its employees. The report resulting from the cost consulting services mentioned has been posted to the Data Room. The information supplied to Hanscomb Limited in May 2012 will be posted in the Data Room after the RFP is released.
