

**NOTICE OF PARKING PROPOSAL TO
RESIDENTS ALONG PATTERSON DRIVE
MCNIVEN AVENUE AND MCNIVEN PLACE**

October 4, 2005

The City of Regina would like to thank those residents along Patterson Drive, McNiven Avenue, and McNiven Place who took the time in responding to the notice delivered in early August.

Some residents are not happy with the City's proposal to allow parking on weekends and evenings when it is less likely University students will be present. The City's policy is not to change existing parking restrictions unless 2/3 of residents agree with the change, therefore, "No Parking" signs will remain.

If you have any questions, please call Micky Szeto at 777-7967.
