Dear [REDACTED]:

Re: Information Request #2021-042-I Annual/Statistical Reports Fire

This is further to your request for information received by the City on May 11, 2021 interpreted as follows:

Request for annual reports (if published) or annual statistical summaries for calendar years 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020.

The following are the usual statistics received each year from RFES:

1. Fire loss dollar summary by year
2. Fire deaths and injuries
3. Emergency Response by Category and alary type with total alarms.

I would also like to request an original professional print copy of older annual reports of the City of Regina Fire Department. Currently I have originals within my archives dating to calendar year 1968. If you could search the archives and city hall records and locate originals prior to 1968 and forward them along it would be greatly appreciated.

Enclosed are copies of the requested records which are scans and copies. The City of Regina does not have originals they would be able to release to you.

Responses to requests may be published on the Regina Open Data website at the City's discretion. All information/data is handled in accordance with LA FOIP. Your identity as the applicant is protected. Published requests will be available on the Open Data website at <http://open.regina.ca/> a minimum of three business days following release to you.

If you have any questions, please contact Cindy Howden at 306-777-7263 or by email at lafoip@regina.ca.

Yours truly,
