Good Morning Mayor Masters

First off congratulations on your successful election as Mayor of Regina. I am an avid listener of the Greg Morgan morning show and I'm pleased you're carrying on the tradition of talking with Greg on a weekly basis. I heard you this morning and you made yourself very clear regarding your position on the recent executive motion that was passed at the committee level. Obviously Sherwood Co-op is appalled and although we have confidence council will make the right decision next week I thought it was necessary to reach out. As you know we are a very good supporter of community events with various donations and sponsorships. Our ability to make these types of contributions comes from the terrific support we receive from our members and customers as well as from the success of the Co-op Refinery Complex. To even hear such a motion was presented is upsetting enough and to have it pass is extremely appalling and narrow minded.

Non-Responsive

*Regards,
Troy*
