Hi Chris, JP, Byron and Rob.

CBC is wanting Chris for an interview by 5 p.m. today to respond to ongoing comments by RPS Chief Evan Bray that the search for a new police headquarters is very active and that he's having regular meetings with Chris Holden and others (her entire message is posted below).

I have a message again into Elizabeth Popowich but she's out of the office all morning... hoping to hear back asap to find out what's going on at their end.

*The City of Regina has a comprehensive, corporate facilities master plan. A new police headquarters is identified as the number one priority and is included in the City's five-year capital plan, subject to budget approval. There is no identified source of funding at this time and no implementation plan confirmed.*

Hi Desirae,

Would Chris Holden be available for a short interview today re: Search for a new police hq?

In the interest of transparency, can Mr. Holden be made available to speak on this? I'd like to know where the city is at on this.

My deadline is today at 5 p.m.
