Dear 28(1) :

Re: Request # 2018-066-I – Road Condition Policies, Procedures, etc.

This is further to your request for information received by the City on October 24, 2018, quoted as follows:

“City of Regina Policies, Guidelines, Codes, Standards, Laws, Practices or any Process the City follows or is obligated to follow specifically related to dealing with hazardous, unsafe, unusual, damaged, unacceptable or any other out of the ordinary road conditions existing or are suggested/alleged to exist. Within this information include, but do not limit the information to:

- a. Definitions/descriptions of hazardous, unsafe, unusual, damaged, unacceptable or any other out of the ordinary road conditions;
- b. What, when where and how the City is obligated to/not obligated to or in practice deals with any existing/or allegedly existing road condition problems, especially but not limited to problems with manholes.”

Enclosed are copies of the following documents:

- Matrix for Road and Sidewalk Distresses
- Matrix for Rating 1-3 Sidewalk Distresses
- Section of RP’s Student Manual for Distress Inspections
- Section from RP Process Manual for Service Request Inspections
- Concrete Inspection and Maintenance Policy

Responses to requests may be published on the Regina Open Data website at the City’s discretion. All information/data is handled in accordance with LA FOIP. Your identity as the applicant is protected. Published requests will be available on the Open Data website at <http://open.regina.ca/> a minimum of three business days following release to you.

If you have any questions, please contact Cindy Howden at 306-777-7263 or by email at lafoip@regina.ca.

Yours truly,
