Dear 28(1) :

Re: Access to Information Request #2015-057 – Parking Tickets

This is further to your access to information request received by the City on June 21, 2017, quoted as follows:

Records for number of parking tickets issued from June 20, 2016 to June 20, 2017 inclusive under the Bylaw 9900 36(1)(e) for the following intersections:

**East side 2200 Block Halifax
East side 2100 Block Halifax
North side 1500 Block 14th Ave
South side 1500 Block 14th Ave
North side 1600 Block 14th Ave
South side 1600 Block 14th Ave**

In an email dated June 22, 2017 to Linda Ungar you added another location: **East side 2300 Block Halifax (Halifax and 15th east side)** and additional clarification that you are looking for an individual count for each corner, not all the totals lumped together.

This is to inform you that your access request has been fully granted.

Enclosed is a spreadsheet with the intersections and ticket count for each corner. If you are satisfied with the response, the City can redeem your \$20 application fee and treat this as an informal request. Please be advised that if you choose a refund of the application fee, you will rescind your right to request a review of this request by the Saskatchewan Information and Privacy Commissioner.
