Subject: Interview request

Hi Desirae, I'd like to interview someone from the city regarding voting. With a focus on low turnout and potential changes in the future. Let me know who is best placed to do that. It would be on camera and take about 10 minutes. Preferably sooner rather than later,

On another note, my colleague is looking a voter breakdown by polling station. For example, how many people voted for a specific at a poll and that poll's address.

Last one. We understand that some residents in north central needed to bus to a poll in Eastview. We'd like to ask if there is a plan to fix that given the low turnout there.

Thanks.

Subject: Interviews

Hi Desirae,

Can I schedule an interview with Jim Nicol this afternoon in regards to voter turnout?

Also, I need to schedule an interview with Mayor Fougere. I would need to do a sit down Q and A with him for a piece we would like to get in the paper soon. That interview can be anything Thursday or Friday afternoon, or early next week.

Thanks

Craig Baird
