Hello Linda!

Talk about a crazy day right after holidays! Phew!! [28\(1\)](#)

! 😊

I will hopefully put the book in interoffice mail this afternoon! Your area plus RPS & Club typically require 1 books and in the books you need the calendar, contact list, maps and location breakdowns?

Thanks again Linda, I will remember the requirements for the books one of these years! Lol

Hi! Hope you had a great Thanksgiving!

I'm back from [28\(1\)](#) and was advised that Street Sweeping is scheduled for October 17th. I'll contact Club towing and advise when I've done that. First day back and I'm on the phones as both Becca and Lorella are off today...so it's a kind of crazy day for me. If I don't touch base with Club today, I will for sure tomorrow. If you could send the books interoffice, that would be great. I can run them to RPS and Club. Thanks!!!

Have a great day!
