Danielle and Deb,

Can you please connect and discuss who will be contacting RPS going forward, then report back to the group.

Thanks!

Morning!

I don't recall ever including RPS in my daily updates. I believe they came from Service Regina...

Sorry that I couldn't help more!

Danielle

Good Afternoon,

I believe Danielle Fortin from Sweeping & Alleys includes RPS in the emails that she sends out instead of Op Services contacting them directly.

Good afternoon. If the weather works in our favour – we will be starting enforcement for the Fall Street Sweeping on October 17, 2018. I've contacted Club Towing who will be performing the tows for the sweep. Once I receive the sweep schedule books, I'll take copies to both Club Towing and to RPS Communications Centre.

Service Regina, would you be able to reach out to RPS Comm Centre and give them the heads up? Thanks!
