Public Service Announcement

## Fall leaf sweep begins

On Wednesday, October 17 city crews will begin the fall leaf pickup in the Crescents, Cathedral, Lakeview and General Hospital areas. The fall sweep is expected to run until October 30, weather dependent. Picking up leaves will help reduce any drainage issues before the snow falls. Residents are asked to watch for street signs.

Parking will be restricted during these 10 business days so crews can access curbs and parking lanes. **Parking in a no-parking zone means that vehicles will be ticketed \$120 and towed.**

Help keep our streets and catch basins clean by adhering to street signage and moving your car when needed.

To view the fall leaf pickup schedule, visit **Regina.ca**. For more information, call 306-777-7000.
