Hi Councillor Shaw,

I've tried calling you twice, once on Friday and once this morning (Monday). I will also try phoning you again at around 1 p.m. CT once more.

The reason for my calls and my email is to see if you are interested in doing an interview with me about a question you asked in Wednesday's city council meeting about Indigenous culture and its relation to homelessness. I would also like to get your opinion on the Ending Homelessness motion that was passed in Wednesday's meeting and how you plan on working with city council towards ending homelessness in Regina and Ward 7.

I would like to have all of my interviews done today before 3 p.m. CT and I would prefer an on-camera interview. I have an interview at city hall at 2 p.m. so sometime around then would be great.

Thank you,
Jennifer Francis
