Regina July 17<sup>th</sup> / 93

Mr Mayor & Gentlemen,

Your committee having given due consideration to the communication of Mr G. Spring Rice attached hereto, beg to recommend that his proposition be not entertained, and that he be notified to that effect.

We also recommend that a well be sunk (and pump procured for same) in the portion of the town known as Luman Town, on a site to be selected by the Committee.

We would also recommend the purchasing of two fire escape ladders, one to be placed on Ironhall & the other for the use of the Fire Dept, length of ladders required to be decided by the Committee.

The Water & Light Committee

Resue:

June 3

Gentlemen:

As one of the roadway lighters  
if I may use the term of the Electric  
Light Company, I should like to know  
whether your Council would not feel  
disposed to purchase the plant and  
engine and property of the Company  
we are willing to take \$14,000 for the  
whole business, at which price and granted  
the business does not improve, which on all  
human probability it must as your town  
increases, this at the present rate would  
pay you enough to practically give you  
your town lights for nothing.

Mayor & Council of Regina remain gentlemen,  
Regina: Yrs obediently  
Gerald Spring Rice:

Reynia. June 5/99

## Fire Water & Hydrant

Your Committee beg to recommend that  
an elevated tank of about 6000 capacity  
be erected at the Windmill pump.

We also beg to report that having tested the  
Fire Engine, we find that it is perfectly  
worthless, and in the opinion of competent  
men it cannot be repaired here, and  
would call your attention to the fact that  
an only available ~~of~~ Fire appliance  
at present is the Chemical Engine.

P. Lamont, Chairman  
G. J. Marsh  
W. L. Mollard

Report of Fire Water & Light Committee  
Revised April 27<sup>th</sup> 1893

Your committee beg to recommend that  
Mr Thomas Little be granted three weeks in  
which to complete his building in accordance  
with by-law no 103 and amendments  
thereto.

Also that The Western Milling Co be allowed  
to leave their ice-house on the present <sup>site</sup> until  
end of season, but that they be not  
allowed to erect a smoke house as  
described within the fire limit.

Communications attached.

P. Jaccout Chairman  
G. J. Marsh  
W. T. Mollard

Smoke house 8x8x10 ft high, neither  
of which building can in any way affect  
the safety of the town, but to pull down  
the ice house would simply mean the  
loss of the ice there is no probability  
that it will remain over 3 or 4  
months and we would ask you to  
grant us leave to allow these two  
buildings to remain and instruct your  
inspector to this effect.

John Skelton

Regina March <sup>the</sup> 20/93

To Regina Town Council:-

Gentlemen, I am about to build  
a blacksmith shop on Hamilton  
Street opposite the Market Square  
and I am not very well able to put  
the fire proof iron on now, and I  
take this way of asking you to  
give me until the 1<sup>st</sup> of October  
or thereabouts, to put the iron  
on and Oblige,

Jas. McPherson.

Regina July 20/93

Your Committee beg to recommend  
that the Regina F. B. Band be authorised  
to Exchange the old Band Instruments  
as per terms of their communication  
dated Jan 31<sup>st</sup> /93 - (attached.)

J. Lamont. Chairman

W. J. Mollard

G. I. Maash

J. W. & L. Coors

To the  
Mayor & Councilors  
of the Town of Regina.

Regina  
31<sup>st</sup> January 1893.

Gentlemen.

Having secured the services of a first class Bandmaster, we find it necessary to procure new instruments, and as there are some old instruments, which are not in use, we would like to get authority to ship them to Toronto and trade them off for new ones. We are holding a carnival in about 2 weeks and it is our intention to send the proceeds of the Carnival together with the old instruments and procure new ones. These new instruments will be turned over to the Council upon arrival. We would also like you to procure us another place to practise, as our nights are very often broken up by hunting around the town ~~to~~ finding a place to practise. Hoping you will grant this request.

I Remain

Your Obedient Servant

A. Daykin

Secy of Regina Drill Brigade Brass Band

P. P. The following are the instruments, which we want to send away. 1 Circular Bass. 100 Tenor.  
1 Eb Alto 1 Cornet. 1 Clarinet. 1 Piccolo.

AD

REPORT OF THE FIRE AND WATER COMMITTEE RESPECTING FIRE  
BRIGADE.

Your Committee begs to report as follows:

- I. In pursuance of resolution of Council of *18th*  
December last the Band has been taken over and formed  
into a Fire Brigade with the Officers and Members whose  
names appear in the annexed letter of the Secty Treasr.
2. In accordance with said resolution to appoint an  
Engineer Your Committee would recommend as such the  
appointment of Mr Wm Drever ~~to the brigade.~~

*W. H. ...*  
*G. J. ...*  
*Wm Drever*

To the Mayor & Council  
of the town of Regina

Regina

10<sup>th</sup> - January 1892

A meeting of the Regina Brass Band was held  
last evening and the following officers were  
appointed, viz. J. H. Holthy, captain of the  
Brigade, Rudolf Boeg, captain of No 1 Reel,  
E. J. Young, captain of No 2 Reel; & W. H. Daykin  
sec<sup>y</sup> & treas<sup>r</sup> of the Regina Fire Brigade.

The following are a list of the Brigade

- |                     |                   |
|---------------------|-------------------|
| 1 J. Holthy.        | 7. A. G. Gibbons  |
| 2 R. Boeg           | 8. A. V. Holthy.  |
| 3 E. J. Young       | 9. Dr. Mc Kenzie  |
| 4 W. H. Daykin      | 10. W. Mc Dunis   |
| 5 J. Richards       | 11. J. W. Mc Ara. |
| 6. C. A. Paehlmann. | 12 J. Binder.     |

Hoping this will be satisfactory

I remain

Yours obedient servant

W. H. Daykin

Secy of Regina Fire Brigade
