Very generous of Barry! We are working on this and should have you something by 3pm for you to enter into Minute Traq.

Neil

I talked to Shauna and she said that Barry will give us a little extra time on this as the typical process would be for it to be due to him tomorrow. We will still need to get this in Minute Traq ASAP though so it can go through all of the reviewers.

Please let me know when you have everything ready and I can get it added in Minute Traq. Tomorrow would be best if possible.

Thanks,  
Sherry
