Good Morning Annette,

I have searched through the documents we received from Altus for their 5 day submission for lead appeal 28122 and there doesn't appear to be an appendix B anywhere. I also checked with Assessment to see if they received anything and they also didn't receive an appendix B in the 5 day submission from Altus either.

Thank you,
Kristina

Hi Annette – As per our conversation this afternoon, I have searched our files for the missing 'Appendix B' – I cannot find it in our files either. I'm not sure if this information was actually provided to the Board.

I will have to work with Kristina on this (she is back in the office on Monday), she might be able to find it, or confirm it was missing.

Thanks.
