Hi Abby,

This is great – thanks! I’m going to incorporate this into the survey and send over the revised draft for your approval – I’ll get that to you within the next hour or two.

Kind regards,

Win

Subject: Options for last survey question (Downtown Regina)

Hi Win,

We asked our team for suggestions and here is our list (with a bit of editing). Craig might have further input, but we think we've hit most of the possible answers. Some could be combined as it is quite long and I'm sure you'll have good suggestions on how to make this more concise unless the length is okay.

Let me know if you have any questions.

Thanks,

Abby

LIST:

Improved transit (bus service)

Free parking

More parking

Improved safety

Better connectivity between parts of downtown (Craig- I added this one after reading a service request. The language could use work)

More pedestrian only streets

Better vehicle access

More/better bike lanes

Better accessibility (better wording needed maybe as this is about people with different abilities being able to come downtown, not routes in and out of downtown)

Safer sidewalks in the winter

Brighter streets/more streetlights

Less construction

Better walkways between

More bars, restaurants and cafes

More shopping opportunities

A movie theatre

More live events/entertainment/concerts

Sporting events

More cultural activities

More outdoor patios

Grocery store

More public washrooms

More sheltered walkways

More green spaces

More family friendly options (playgrounds, splashpad, etc.)

None of the above
