## New Service Request 285689

Customer: Abby M. Schneider  
Phone: (639) 571-9320  
Email: [ASCHNEID@regina.ca](mailto:ASCHNEID@regina.ca)

Priority: 3, ,

Classification: Geospatial Services, Data Request, Submit Request

Description: This is an urgent request for Ward data.

City Council has requested the City survey citizens on a Multi-Purpose event centre and we need to get the results for the March 22nd council session so we are quickly engaging in a phone survey that will start on the evening of Thursday, March 9th. The survey company has requested a list of all the postal codes that fall into each ward. We recognize there are some postal codes that fall into either and they are aware of this.

I am assuming it would be easiest if this took the form of a spreadsheet that lists the 10 wards and has the postal codes in each column.

Please do reach out to me if you have any questions. Apologies for the quickness of this request.

**Service Request 285689** has been assigned to your team. Resolution deadline for the customer is 2023-03-13 8:58 AM. Please take ownership of the ticket before 2023-03-09 8:58 AM.
