Hi Win- when you have some time later, let me know and I'll give you a shout or you can call me at 28(1) . I just have a couple quick questions about the postal code information to help out our folks who are getting that information for you. Thanks!

I'll see what we can do. I'm sure there's a way.

Hi Abby,

Thanks for this! It is definitely helpful, however, do you happen to have a detailed list of postal codes that are within each ward? Perhaps this information is available within the link and I'm just unsure of how to find that information? Let me know, thanks!

Kind regards,

Win

Hi Win,
We think this map should be what you need but do let me know if not.

You can put someone's postal code in it and the ward will pop up:
City of Regina Map Viewer - Regina Open Data

There are SOME postal codes that are in two wards but we are not sure how many. It's likely not a tonne. We suggest in that case going with the larger ward if you are in that predicament.

I am happy to chat if you have follow up questions. Thanks!
