The full link I pasted here won't work until the project goes live. Wayne mentioned simply using beheard.regina.ca to keep the social easy 😊

Hey Wayne/Kelsey,

The link provided to me doesn't work. Is that just because the page isn't live yet? Or am I supposed to use a different link?

Sounds great, thanks Wayne!

I'll send you a preview of the newsletter content shortly for your approval. I've attached a full page screenshot of the project page, updated with your info from this morning.

The final project link is <https://beheard.regina.ca/john-a-macdonald-legacy-review>

Just let me know when I'm set to make the project live, any time is great for me.

Hi team,

Attached is the final NR to announce public engagement for the John A. Macdonald Legacy Review. Louise and Mayor Masters have both approved. Please confirm when we might be able to issue today.
