Hey Ryan, would 2 work?

We've already had media requests so I'd like to close the gap a bit more if we could.

Thanks,
Wayne

Hi Wayne,

Would 2:30 be early enough for this post? We had something posted at noon, so I'd like to space them out a bit.

Let me know if that works for you

Hi Ryan,

Please add the following post to our social media schedule for early this afternoon. Link to the [Legacy Review page](#) on Be Heard Regina please. If it doesn't pull up a suitable image, please use the image from the project page (attached).

This morning, the Sir John A. Macdonald statue was moved from Victoria Park into temporary storage, in accordance with City Council's direction on March 31, 2021.

A public art collection curator was on site to ensure that the statue was properly handled and safely transported to storage until it can be re-installed in a new location. The City will continue to explore new locations for the statue where additional context about Macdonald's legacy can be added. A recommendation is to be before City Council by early 2022.

**The City invites you to visit Be Heard Regina to learn and participate in the conversation about Macdonald's legacy.
Visit beheard.regina.ca**

Thanks,
Wayne
